### Hotel l'Etable

#### CROSETS SWITZERLAND

Hotel l'Etable is nestled in the heart of the Portes du Soleil's 12 ski resorts connected by 209 ski lifts. With 650km of slopes between France and Switzerland, this is the biggest ski area in the Alps and has retained all of its charm and Savoyard traditions.

The village of Crosets' 1,700m altitude guarantees optimum conditions for snow throughout the season. In the very heart of Crosets, you'll find the charming l'Hotel Etable, a ski hotel complete with a chic, contemporary Alpine design. With only 16 bedrooms and 1 suite, the staff is attentive in this intimate home from home. But you could also have the run of the whole hotel with friends or family for a week. The doubles, and the rooms for four, combine comfort and mod cons such as flat-screen TVs and wi-fi and the duplex suite also includes a kitchen and fireplace.

A few steps away from Hotel l'Etable, the

restaurant offers fine dining for all tastes, with local specialities and a wine list that showcases Valaisan wines- French and Italian vintages. In Crosets village itself, there's everything you could need including a sports store, ski school and spa, plus bars, restaurants and shops.
